Hope that everyone is able to get out and enjoy the weather we have been having lately, either on your Four Wheelers or just for a nice walk or maybe even working in your gardens. Enjoy it while it is here. I was away in Texas for awhile and believe me it was some hot there. It was good to be back to the cooler weather.

The Club has decided to have our Annual Yard Sale again this year. The dates are **Friday August 31st and Saturday September 1st 2018**. Labor Day weekend as always. So if you have any gently used items that you need to part with we could use them. The money that we take in goes toward our trail system. **We do not take clothing or mattresses**. Otherwise we will take most everything else. You can give us a call at 652-2227 or E-mail [bssnell@tds.net](mailto:bssnell@tds.net) for information or if you need items picked up.

The **Strong Parade** is going to be held at a different time this year. It will be on **Saturday July 14th** this year. There will be lots going on all day they are saying, with games, a bounce house, and sales of all sorts of items. Foods, the chicken Bar-B-Q at the Fire Station in the late afternoon, the Parade at 6:00 pm. The Historical House will be open that day also.

The Theme this year is "The 70's" They are hoping for lots of floats this year so why don't you work on one for

the parade. Or clean up your 4 Wheeler's and join us in representing our club. We gather at 5:00 near Hutch's Bridge & the Club House for the 6:00 pm Parade.

Les has been busy returning bottles and cans so far this year. If you have any you want to donate you may drop them at our home on Taylor Hill Rd or he has his truck at all of the meetings for you to drop them into. Or if it is local Les will also pick them up. Give us a call.

We are still looking for someone to manage the website for us. If you have a little time to donate to the club we would really appreciate it. Contact John at 207-491-3117.

We are in need of some members to paint and dress up the Club House also. If you could spare a few hours for that, it is dearly needed. Rob Elliott (our benefactor) has said that he would donate signs for the building if we would do that. Please contact & coordinate with John @207-491-3117.

Our next Club Meeting is scheduled for Thursday July 5, 2018. We will be having our Pot Luck Supper prior to the meeting at 6:00 pm, with the meeting to follow at 7:00 pm. We hope you will join us.

Drive carefully! See you on the trails.
